

Data Release and Transport Agreement

Preamble

This agreement is made between QuickPay ApS, onwards referred to as "QuickPay", and _____, onwards referred to as "3rd part", on behalf of merchant company _____, onwards referred to as "the merchant".

Transfer of responsibility

By signing this document "QuickPay" transfers the responsibility and management of historical card data on behalf of the merchant' to "3rd part".

By signing this document "3rd part" accepts full responsibility for the encryption key and the encrypted card data in coherence with rules and recommendations for the Payment Card Industry Data Security Standards (PCI-DSS).

Once transferred "3rd part" cannot revoke nor cancel the process. "QuickPay" will not be liable for any issues relating to the transfer. "3rd part" shall indemnify and take full responsibility for any and all costs in this matter, including but not limited to, damages, lawsuits, financial claims or other claims from "the merchant" or any other party regarding this matter.

This document exists in two (2) copies where "QuickPay" and "3rd part" have one (1) copy each.

Data format

Credit Card data records are stored in a CSV file according to RFC 4180.

Example record

Name	Value
Order number	ABCD-1234
Card number	5555555555555000
Expiration month	12
Expiration year	20

Example CSV formatted row

ABCD-1234,5555555555555000,12,20

Encryption

The CSV file will be encrypted with GPG using this public key provided by “3rd part”:

Name	Value
pub:	
Key fingerprint:	
uid:	

Transport

The encrypted file available for download via SFTP – details will be sent to “3rd part” to the e-mail defined in the verified public key.
